In the Matter of

GENERAL ADJUSTMENT IN ELECTRIC ) CASE NO.  
RATES OF KENTUCKY POWER COMPANY ) 9061

AMENDED ORDER OF PROCEDURE

On August 20, 1984, the Attorney General's Consumer Protection Division ("Attorney General") filed a Motion to deviate from the Commission's June 25, 1984, Order of Procedure in this matter. The Attorney General requested an enlargement of time on which to file testimony and additional data request. On August 23, 1984, Kentucky Power Company ("Kentucky Power") responded to the Motion by offering to provide intervenors two additional weeks in which to review the Company's responses to the Supplemental Data Requests, to consider the supplemental testimony filed by the Company, and to file their own testimony in response thereto. Kentucky Power also filed an amended Order of Procedure Schedule to accommodate the Attorney General.

After reviewing the Motion and response and being advised, the Commission is of the opinion and finds that:

(1) The Attorney General's Motion to amend the Order of Procedure should be approved.

(2) An Amended Order of Procedure should be approved to allow data request and responses limited to Kentucky Power's supplemental testimony.

IT IS THEREFORE ORDERED That the Motion of the Attorney General for a deviation from the Commisison's Order of Procedure of June 25, 1984 be and it hereby is granted.

IT IS FURTHER ORDERED That the Amended Order of Procedure as set out below be and it hereby is approved.
